

# Bobby Wilson

MR. ENTERTAINMENT SHOW

## *Exciting, Mesmerizing & Magical*

Bobby's career in music started after serving in the US Navy where he was invited to join a local celebrity's show Pete Hernandez and The Love Notes in Waikiki with Peter's son, Little Elvis, who would be the future Bruno Mars. From those musical roots, he expanded to build and develop his own style while portraying his (unknown father to him, at the time) Jackie Wilson, in a world-renowned Las Vegas Show 'Legends in Concert'.

Bobby's show comprises of a 5-7-piece band with 3 background singers, performing the music of Motown, Pop, Soul, and Country. Bobby gets the audience to their feet seamlessly and sings the soundtrack of their lives as he performs songs from a collection of classic and memorable hits.

This show fits all events if you are looking for energy, excitement, and good vibrations.
