Bobby Wilson

THE LEGACY LIVES ON

From performing with a young Bruno Mars in Waikiki to headlining stages worldwide, Bobby Wilson lights up every room with the electrifying voice and presence of his father—soul legend Jackie Wilson.

His Red Tie Sessions and The Motown Years bring audiences to their feet with timeless hits and thrilling authenticity. He's opened for The Temptations and The Four Tops, starred in The Jackie Wilson Story, and channels "Mr. Excitement" with uncanny soul.

Backed by a powerhouse band and soulful singers, Bobby delivers a high-energy, feel-good celebration—perfect for festivals, galas, concert halls, private- and corporate events.

Exciting. Mesmerizing. Magical.

More than a tribute—it's bloodline brilliance on stage.
